1	<b>Head teachers Report.</b> Staff & pupils are to go to view the new school. Everyone will wear hard hats. There is to be less storage in the new school & not as many text books will be required as all classrooms are to have projectors, therefore text books can be projected on to the wall for pupils to see. With this in mind the school will be getting rid of a large number of books. Michelle B is to contact her sister who works in a school in Africa to see if they can be used there. It was also suggested parents could have them to assist with homework.
